EXPERIENCE

Post-Bac Teaching Fellow, UIC – Psychology Department, Chicago, IL Aug 2020 – Aug 2021
Dr. Jessica Shaw, Ph.D., jshaw2@uic.edu

- Served as a teaching assistant for four semesters with undergraduate students; assisted in teaching Introduction to Research Methods in Psychology, Community Psychology, and Abnormal Psychology; met regularly with students to develop research project ideas and papers; graded assignments and exams using Blackboard; held weekly office hours via Blackboard Collaborate and Zoom; responded to student emails quickly to address student concerns, answer questions about the course policies and content, and direct students to additional resources.
- 30 hours per week
- Received mentorship from Dr. Jessica Shaw while serving as a research assistant on the Gender Justice Initiative team; recorded weekly team meeting minutes and created weekly team meeting agenda; analyzed qualitative data for the project: Evaluation of a Cross-System Cooperative Response to Adolescent Sexual Assault Victims; analyzed qualitative data for the project: The Experiences and Needs of Lone Community Psychologists.
- 10 hours per week

Community Education Intern, Mujeres Latinas en Acción, Chicago, IL Jan 2020 – May 2020
Andrea Carrillo, acarrillo@mujereslat.org

- Prepared, revised, and attended community education workshops about dating violence for grades K-12 in English and Spanish; collected data on workshop attendance; reviewed workshop evaluation surveys; attended and co-facilitated adult sexual assault survivor group therapy; entered client intake data to organizational and state reporting systems; revised and planned presentations intended to train sexual assault medical advocate volunteers; planned and facilitated social media campaigns and webinars to spread awareness of sexual abuse during shutdowns mandated by the COVID-19 pandemic; created online resources for obtaining food and emergency housing during COVID-19.
- 16 hours per week

Research Assistant, UIC – Psychology Department, Chicago, IL
Caroline Bailey, baileyf3@uic.edu

Sep 2019 – May 2020

- Transcribed and reviewed interviews collected as qualitative data for the project: Evaluation of a Cross-System Cooperative Response to Adolescent Sexual Assault Victims; worked collaboratively with a research team to establish and update protocols regarding the data transcription and project documenting process; recorded notes to reflect upon and examine themes in the data to assist in the early stages of data coding and analysis; attended weekly meetings with the full research team for updates on project tasks; attended trainings around self-care in doing gender-based violence research; attended trainings on research project development and conducting qualitative research; assisted with other projects by the Principal Investigator as needed, such as The Experiences and Needs of Lone Community Psychologists project.
- 10 hours per week

Standardized Testing Tutor, UIC – College of Education, Chicago, IL May 2018 – Jan 2019
Dr. Marcine Adams, Ph.D, marcineadams@gmail.com

- Guided in-person and online tutoring sessions for the College of Education; facilitated individual and group tutoring for college level test prep in English, science, and math; gained experience tutoring graduate students and emerging-bilingual undergraduate students with a strength-based learning approach.
- 4 hours per week
